THE BEST THING ABOUT BEING A MILF IS SURPRISING FELLAS. I MEAN, JUST BECAUSE I'VE GOT KIDS, OR OWN MY OWN HOUSE, OR HAVE FOUND MYSELF PAST THE MAGICAL MILESTONE OF 40, IT DOESN'T MEAN I'M READY TO CURL UP MY TOES JUST YET. IT DOESN'T MEAN THAT ANTIQUES ROADSHOW HAS REPLACED PUSSY GALORE AND ANAL GANGBANGERS 6 ON MY TV SCREEN. AND IT DOESN'T MEAN THAT SEX IS A CUP OF COCOA AND A CUDDLE. BUT SOME BLOKES SEEMS TO THINK THEY NEED TO BE GENTLE WITH ME, EVEN (HORROR!) RESPECTFUL. SO I LIKE TO GIVE THEM A LITTLE BIT OF A SHOCK BY GIVING THEM THE MOST RAMPANT, UNFORGETTABLE, CHANDELIER-SWINGING SEX OF THEIR LIVES! JULIA XXX

Mucky MILF Louise introduces us to her new friend. "This dildo keeps my sex life going while I'm stuck with my boring husband. I say I'm going up to read in bed but really I have the most incredible fantasies, normally involving of baby oil and a queue of hard cocks!"

SADIE

At fifty, MILF Sadie is taking it more sleazy than easy. "My lad's at college and I keep embarrassing him by trying it on with his mates. I cook them all dinner, get them pissed and suck them off on the porch while my son's upstairs!"

True Con

What are friends for, if not ramming your cock up their cute wife in their lounge?

Bill and I have been mates for years now, and it's always freaked me out a bit that his wife, Rachel, flirts so openly with me. Not that I'm complaining, as I've always fancied the arse off her – she's got a great figure and is, quite frankly, fit as fuck.

One night last month, Bill and I were at his place watching the footie when she came in and sat in the armchair directly opposite me. She had on a denim mini-skirt and a top that was struggling to stay up – she kept having to tug it back up every few minutes. Bill didn't bat an eyelid when Rachel uncrossed her legs and sat with her thighs wide open, her slit pointing directly towards me. She had no knickers on and I could see her shaven cunt quite clearly.

I looked at Bill and then at Rachel. I couldn't quite believe what was happening – flirting was one thing, but this was something different altogether! She parted her legs a bit further and began to stroke her clit. "My pussy needs a bit of attention," she drawled. My cock was getting hard just watching her and I was absolutely dying to fuck her.

Again, I looked at Bill, who simply shrugged and told for me to go for it. I didn't need telling twice – I quickly got up and went over to Rachel, lifted her arms in the air and pulled the top off. I took her gorgeous tits in my hands and squeezed them, something I'd been dying to do since I'd first met her.

I could tell straightaway that she'd wanted this for ages, too, her tongue darting in and out of my mouth with amazing speed and force. Her hands were groping around my arse, squeezing my cheeks and I returned the favour, enjoying how firm her rounded buttocks felt.

I broke free from her kisses and moved my hands down to her thighs before plunging my head between her cleavage, licking right down the gap between them. Rather than kissing and caressing her breasts with my tongue, I sucked huge great mouthfuls of her boob flesh into my gob. Her body shook with pleasure as I ravaged her chest.

"Fuck her," shouted Bill from the sofa, reminding me that he was there, too.

I fingered Rachel's cunt to see if she was lubricated enough for me to fuck her. She was soaking wet and definitely ready for me.

"Shove it up her," Bill urged, so I turned and looked back at him. He was wanking himself furiously, as he got off on the sight of me doing his missus.

Rachel began to undo my flies. I lifted her skirt up around her waist and got her to lie down on the carpet. I pulled down my boxer shorts and wasted no time in positioning myself between her legs. Her cunt was soaking wet already and my cock slipped in easily. She gasped and moaned, her eyes closed, as I pumped away at her tight, juicy hole, her arms gripped my back tightly and wrapped her thighs around my waist, pulling me in closer.

"Fuck her harder," shouted Bill, wanking himself even faster as he said it. I did like he suggested and upped the tempo. My arse was really pumping up and down as my cock shot in and out of her pussy.

"I pumped away at his wife's tight juicy hole"

fessions!

Her huge tits wobbled in time and as my body rubbed against hers, I could feel her chunky nipples pressing into my chest.

Her fingernails began to dig deep into my shoulders and her thighs gripped even tighter around my body. She was groaning and wailing like she'd never known pleasure like it. I could still hear Bill whacking off on the sofa, his heavy breathing was almost as loud as Rachel's moans and groans.

I slammed into Rachel's pussy with as much force as I could muster, which made her scream even louder. Suddenly, and before I could stop myself, I shot my load deep inside her cunt.

Masses of spunk came spurting out of my cock, filling her to the brim, but still I kept on screwing her. Rachel moaned with ecstasy as her twat swallowed up my juices. I could feel her pussy muscles tense up as she came, the fullness of her spunky cunt having sent her over the edge.

Finally, out of breath, I stopped fucking her. She kissed me full on the mouth, her warm tongue snaking its way between my lips. I withdrew my cock from her and looked at her wet snatch, the lips now red and puffy from the pummelling it had just received.

I'd had enough. Fully satisfied, I sat down on the armchair and watched as Bill stood up went over to where his wife was still lying and wanked himself off to orgasm, shooting his load all over her cute little tits as she played with her clit.

She writhed in ecstasy as his jizz covered her and she rubbed it into her tits, pinching her nipples, which were now slippery from his goo. She frigged away at herself furiously and her body jolted and quivered as she came again.

"She moaned as her hot twat swallowed my jizz"

She seemed quite oblivious of the fact that she was lying stark naked on the floor with her husband and his best mate watching her frig herself off.

There's another match that I want to see on TV in a couple of weeks and I'll be taking a few beers round to Bill's to watch it.

Bill's not actually going to be there, though – he told me he's working away for a couple of weeks and he's worried about his wife being left alone.

He says that he doesn't give a fuck what happens between her and me while he's away, just so long as I get it down on his camcorder for him to watch and wank over when he's back. Now that's what friends are really for!

True Con

Tina gets a good bollocking (and a dicking and a pussy-sucking) in the boardroom

I've been buying Razzle for years and just lately I've noticed that more and more women are writing in to True Confessions. I thought I'd even the balance up a bit by sharing my own horny confession with you and your readers.

I had been seeing Tina from the finance department on and off for a few weeks, after we had ended up in bed after a work piss up. So far we had managed to keep it quiet from the other people in the office, because we couldn't be arsed with all the gossip. It was a right result from my point of view. She was happy with just meeting up now and then for a right good fuck, and she was a sexy girl, blonde-haired, late 20's, successful, and always wearing sexy underwear under her tight yet tasteful business suits. A few times we had got a bit frisky in the office – a quick grope in the corridor, a snatched snog in the lift. It was fine for her – she could wander off without anyone knowing a thing, while I staggered off awkwardly, trying to hide the massive bulge in my trousers!

One evening we had a project to finish so Tina, myself and a few others, were working late into the evening. I was bored, tired and had something other than work on my mind so was finding it really difficult to concentrate on anything. I realised Tina obviously felt the same as we exchanged meaningful looks across the room, which left me wanting her just that little bit more.

"Her sticky pink lips invited my big hard cock inside"

The last person finished up around 9pm, and as soon as they left the office I wandered over to Tina's desk. Standing behind her, I massaged her shoulders softly for a while before bending down to kiss her neck. She responded by moaning slightly, parting her legs and running her hand slowly and sexily up her inner thigh, pulling her skirt up with it. I carried on kissing her neck, but moved my hand down to squeeze her boob through her shirt, which gave me the biggest hard-on.

The groping didn't last long. It seemed that she was just as horny as I was because no sooner had begun to feel her tits than she stood up, pushing me away. I was afraid she was going to make her excuses and leave, but she surprised me by instead perching on the edge of her desk and beckoning me towards her. I needed no further encouragement and moved between her thighs, our lips locking together passionately. I slipped my hands inside her crisp white blouse, opening her bra and exposing her brownish-pink tipped 34C breasts. I pinched her nipple gently, rolling it between my thumb and forefinger, making her gasp. She rubbed and pulled at my hard cock through my trousers, egging me on even more, so I pulled her skirt all the way up and slowly pulled down her lacy g-string. Running my hands over her hot, quivering smoothly shaved fanny mound, I could feel how wet and ready she was, and I couldn't wait to get my cock deep inside her.

Just then, she whispered, "Not here"

fessions!

and my heart sank again, thinking that she had lost her bottle and that my chance of an office fuck had gone out of the window. "There's something I have always wanted to do!" She continued, pointing towards the large, rather posh, glass walled boardroom.

I instantly loved the idea – especially as the CEO had given me a right bollocking in there last week. Giggling and feeling like naughty schoolkids, we ran to the boardroom and shut the door. Without hesitation she pulled up her skirt and bent over the table, her legs apart, with her sticky pink lips inviting me to come inside. I didn't waste any time, fumbling with my flies from the second we entered the room. Taking out my member – and giving it a couple of tugs for luck – I grabbed Tina's arse cheeks and slowly slid into her pussy, the sweet hot feeling enveloping me as she groaned deeply. We started a slow deep rhythm, the large table shuddering on each hard stroke.

I pulled out and spun her round, lifting her up on to the meeting table and climbed on top of her. She spread her legs wide, sweeping piles of documents on to the floor as she did – not that either of us cared. Sliding back inside Tina's tight hot cunt, I decided to speed things up, and I began to pump harder and faster, my cock drilling in and out of her as she groaned and squealed. I could see her tits swinging in time to my thrusts and I reached round to grab one. Her head was twisting side to side, a look of pure ecstasy on her face as she squeaked, "Yes, baby! Fuck me harder!" over and over again, like some sort of chant.

I was aware that the table was beginning to creak ever louder and there was a distinct possibility of it collapsing, but I had no intention off stopping now – I really didn't give a fuck, especially as I felt my balls tighten and knew I was going to cum. Just as I pulled out of her soppy snatch, I started to cum hard and long, spraying her hairless mound and stomach with jets of hot spunk, enjoying the way it pooled in her belly button.

We lay there for a couple of minutes panting, before quickly pulling our clothes back on and straightening ourselves up. I made sure I picked up all the papers that we'd strewn around and tidied the meeting room before we left, but when I spotted a perfect print of Tina's arse on the table, I knew I had to leave it there!

Although it was never brought up, we knew that the boss was keeping a close eye on our department from then on for office romances. That was fine – it just made it all the more exciting when we screwed on his desk a few weeks later!

Phillip, Harrogate

TRIPLE STIMULATOR ANAL SEX TOY

Women – universally renowned for never knowing what we want. One moment we want romance, the next moment we want it rough. One night we'll have anal and the next night – don't even think about it. Sound familiar? Let me introduce you to the triple stimulator. Does the job in one hit, satisfying and filling both holes and vibrating too for the extra kick. It's easy to use and I can assure you it's ultra-comfortable. It sits snugly under your cock, the bullet vibe working for both of you – how super! So good that the only thing that might spoil this fab toy is premature ejaculation! And, yes ladies, you'd better try and hold off too!

£33.99 from www.passion8.com

DOUBLE STROKERS

Last month I reviewed the Spider at a whopping £90, so for those who are pinching their pennies as well as their penises this and the Tenga have been road tested for your wallets as well as your willies. The Strokers come in varied colours and textures. My volunteer tested the pink one – his conclusion was that nothing beats banging me, mind you he had to say that didn't he, especially as I was clutching the Icicle like a baseball bat. However, for £14.99 it's not a bad little number at all. It feels very tight and has ridges inside which, judging by his expressions, was a hit. You can increase or decrease the level of suction to control your experience further by putting a finger over the small hole at the end of the Stroker. Judging by the mess on my sheets this was even more of a hit!

Available from www.lovehoney.co.uk for £14.99

ICICLES NO 23 REALISTIC GLASS DOUBLE DILDO

If you are lucky enough to have two pussies hanging off your prick, get this 'cos I bet you'll be decorating the bedroom ceiling before you get your socks off with two honeys making out between your sheets! It's bad enough having one unsatisfied customer let alone two. The Icicles No 23 is a stunning glass luxury dildo that oozes quality, hence the price tag. But it's worth every penny – just ask my boyfriend, and girlfriend, and neighbour and boss! I'm all about the love, me! It measures 13.5 inches top to toe giving both ladies a king-size rogering. Look, just get it, you won't regret it – you can even clean it in the dishwasher!

£39.99 from www.lovehoney.co.uk

TENGA SOFT TUBE ONACUP – STANDARD

Slightly cheaper than the Strokers, the Tenga Onacup has an amazing 70 nubs that line the cup and wrap around your cock – divine! The idea behind this is that the harder you grip it the more sensations you will experience. My second volunteer was a bit worried about the pulling out aspect but the 'squeeze out' turned out to add an extra spine-tingling kick of pleasure. Plus there is a little air hole that can be covered while wanking to increase the suctions even further, just like the Stroker. Be sure to use lube though, they recommend Tenga lotion, but we found that other lubes work too. Happy wanking chaps! Happy watching, chappesses!

Available from www.passion8.com for £12.99

True Con

Every girl needs a box of dildos, and an obliging randy neighbour to try them out...

My boyfriend always buys me a special present when he's away on business, which, unfortunately is quite a lot these days.

Such is the size of my collection of toys, I keep them in a big case, which I keep out in my room whenever I'm alone for a few days. Whenever I'm in the mood, I always take a long time deciding which one to rub, fill and fuck my pussy with. I like to go out wearing things under my knickers, too – especially my vibrating butterfly toy, which straps onto my moist clit. I always end up coming at some point, leaking juices all over my underwear – usually in the middle of a restaurant or bar! The orgasm is so intense – heightened, no doubt, by the fact that I'm frightened someone will notice my hips writhing on the chair and guess that I'm climaxing in front of everyone! Anyway, the story I'm going to share is one that even my boyfriend doesn't yet know about.

While he was away for a week in New York, we had a particularly long and sexy phone call. He told me about all the cute girls that were coming on to him, describing what they were wearing and how fit their bodies were. He knew how desperate I was to taste another girl's pussy and teased me about it often. I'd only had a handful of lesbian experiences but had never been lucky enough to lick another girl out. The thought of probing another girl's tight little fanny with my rigid tongue, while she teased her fingers around my pulsating hole, was a complete turn-on.

By now I was feeling very, very horny – my damp and swollen clit ached for attention. I rubbed myself through my panties as we talked, my boyfriend's voice only adding to my desire. The frustration was unbearable, so when we hung up I knew it was time for my favourite toy – The Pussy Diver. This magic vibrator penetrates my pussy to a nice depth, whilst simultaneously massaging my clit. And, all-importantly, it gives me the most fantastic climax.

I was lying on my bed, just starting to relax while rubbing the toy around my lips, when I heard a faint vibrating noise coming from the flat upstairs. The walls and floors were so thin in my building you could hear practically everything! This wasn't the first time I'd heard this and I was now convinced that it must be the girl who lived alone upstairs, masturbating with a vibrator. My imagination ran wild; I pictured her upstairs getting off with her special dildo while I did the same downstairs. My cunt juice had started dripping from my pussy down to my bumhole, leaving a big wet stain on the sheets. I'd seen her about a fair bit and exchanged pleasantries, but had never introduced ourselves or anything. She was quite petite with short black hair and had the prettiest smile. I always felt a few butterflies in my tummy when I saw her, and from hr body language, I had an inkling she may feel the same. Put it this way, it certainly wasn't hard to fantasise about her!

Before I could close my eyes and feel the familiar sensation of the cold, hard, rubber cock sliding into my wet hole, the noise upstairs stopped. I heard her footsteps as she walked across the room, out of her flat and down the stairs. This was followed by a knock at my door.

"She could hear me fucking my pussy with my sex toys"

I opened it gingerly, to see her standing there in a skimpy white vest top and a pair of matching shortie-briefs. She grinned at me when I peered round the opened door and said, "Hiya! I know we haven't been properly introduced, so I thought I'd pop round and do so! I'm Sammy, by the way!" I returned her grin and held my

hand out for her to shake, "Melissa, umm, Mel!" She looked at me, a twinkle in her eye and said, "I hope you don't mind me being so forward, but I've noticed that your boyfriend is away a lot and I thought that you might appreciate some company. I live on my own, you see!" She shrugged. "Oh, that'd be really nice," I stuttered nervously, "please come in."

She strutted in and saw the vibrator on the bed, next to the large wet patch. "You're being a bit of a naughty girl while your man's away," she said forwardly, moving closer and closer to me as she spoke, stopping within inches from my face, so I could feel her breath. "I know you can hear me playing with myself upstairs. Can't you?" My blushing cheeks told her the answer. "Well, I know about all the naughty things you get up to, too," she continued, "Remember when your boyfriend fucked you from behind on the roof terrace? I was watching from my window. You couldn't get enough of his cock in you, could you? It turned me on so much. Everyone else might not have been able to see you, but I sure as hell could."

I was mesmerised by this sexy woman as she suddenly pushed me back onto the bed, while she grabbed an unused double-ended dildo from my case on the floor. "Now let's see what you can do with this," she said, approaching me slowly.

She wasted no time, gently pushed one end into my moist mound, working it in and out until I was crying with pleasure and begging her to let me come all over it.

Crouching above me on the bed, she fed her shaven pussy with the other end of the dildo. Sharing her toy was such a turn-on and as she leant forward, gasping with pleasure, I licked her hard nipples. We moaned as we bounced up and down on the dildo and I realised that this was my chance to finally taste a dripping fanny.

I pulled the dildo out of her glistening cunt and started nibbling her ears, whispering that I'd never licked a woman out before. This aroused her even more and she pushed my head between her legs and into her sopping wet sex. My tongue circled and flicked her hard love-bud.

Lapping at her fanny-fountain was getting me so worked up that I slid two fingers up my own gushing slit. My hand was coated with juice and I was soon bucking and writhing on my fingers, lost in an orgasmic world. "I'm going to fill your mouth," she moaned and I was surprised as her pussy ejaculated, shooting fluid all over my gasping, upturned face.

"Lapping at her fanny-fountain got me gushing"

How lucky I was to have my first experience with a person of the same sex with such a hot girl, with such a great tasting pussy that eagerly shot juice into my mouth. The taste of her, combined with her horny moaning, was too much and I climaxed all over my hand.

I wasn't disappointed that she hadn't made me come, as she promised that whenever my boyfriend was away she would come down to help me test out all of my special toys!

CARLA &
ADAM
LUCKY
FUCKER!

A couple of months back, my boyfriend Adam bought a gorgeous little country cottage which had previously been an artist's studio. It needed doing up and a load of junk – mostly old art stuff – had been left behind by its previous owner, and we had great fun going through it.

One day, Adam was messing around with a battered easel he had found, and told me to get my kit off for a nude portrait. I played along with it, stripping down and striking a pose. Adam walked over and started to arrange my body in a mock-serious manner. He parted my legs and gave my nipples a tickle with a clean paintbrush he'd found lurking in amongst all the old ones. I said he should give my clit a tickle too, so it would look nice and wet in the picture, but he said that it would be hidden from view – and with that he grabbed my hand and stuck it in between my thighs, so it was cupped over my pussy.

Now he had me where he wanted me, he pulled up a chair and, sitting just a couple of feet from me, pulled his dick out of his jeans. I watched as he gripped it just below the head, and ran a finger around the tip. When the pre-cum started seeping out of his cock eye, he smeared it all over his shaft, making it nice and slippery so he could wank hard and fast. Watching him doing all this really turned me on, but when I moved my hand up to touch my clit, Adam told me to keep still and moved my hand back to where he had positioned it before. He knew full well that it was pressing down on both my nub and pussy lips, and that not being able to frig off would get me really frustrated!

Still playing with his tool, he got up and started walking around me, just like someone looking at a statue, but when he got around to the front of me again, he started wanking really hard and then aimed his cock so a big jet of spunk flew out and splattered on my stomach. Even then he wouldn't let me move – I had to stand there as he sat and watched as the globules of jism ran down over my skin.

"I had to stand there as he watched globules of jism run down over my skin and get a hard-on again"

By the time he got hard again I was absolutely frantic for a good, hard shagging. Adam though, said he was really getting into this artistic thing, and asked if I would mind bending over the back of the ancient, squashy armchair he had inherited along with all the other junk. "Be fair..." I began to protest, but he shushed me and gently bent me over it anyway. Then, before I could say anything else, he stroked his fingers up and down my slit, before burying them in my pussy and wiggling

visit www.paulraymond.com

them about.

I sighed with pleasure as I felt him trail them up to my arsehole, and rub the pussy cream coating them all around it. I felt him move position, then start to rub grind his cock head gently against it, trying to coax out more drops of his oily pre-cum.

He grabbed me around the thighs and lifted my legs, tipping me forward until I was leaning, wheelbarrow-style, over the chair. I gasped with pleasure as I felt him sink his cock into my pussy, and as he started screwing me, my nipples brushed against the rough upholstery

of the chair, the friction stiffening them pleasurably. I cried out loudly as he started to grind his hips and his thick, curly pubes rubbed against my clit. I knew, as he was fucking my cunt, that he was building up to shagging me up my arse – always a huge turn-on for us both.

He teased me a couple of times, pulling out of my cunt and rubbing the juice-soaked end of his prick against my arsehole, only to slam it back into my pussy again. Then, at last, I felt him pull my bum cheeks wide apart with his hands, and sink his prick smoothly into my tight pink pucker.

I wriggled and kicked my legs in the air as he screwed me with quick, short strokes, angling myself so my swollen and tingling clit rubbed on the chair. A few minutes of this and I'd be cumming bucketloads, I thought to myself!

A few moments later though, he stopped again and bossily told me perch my arse right on the edge of the low back of the chair. His dick was rigid and the head bulbous, all red and swollen like it would climax at the slightest touch, and I guessed he wanted to taste my juices before he came inside me. He knelt down and started to eat my pussy, rubbing his nose against my clit and tickling my bum with the tip of a finger. Adam knew how to eat cunt really well but although I knew I could cum from his tongue alone, I wanted his prick in my butt! Telling him to stand

up, I wrapped my legs high around his waist and used my hand to try to guide his prick back into my tight arsehole. Adam, however, was having none of it and, pulling right away from me with his erection still raging, he told me to get on my knees and suck his cock.

I do love sucking my boyfriend off, so I readily agreed, dropping to my knees. He stepped forward to meet me, sticking his rock-hard rod right in my face. I stuck my tongue out and ran it gently around his foreskin and licked at the pre-cum still oozing from his tip, making him shudder. Opening my mouth wide I pursed my lips round his throbbing hard-on, sucking his prick lovingly as I showed off my oral skills, even more than I do usually.

Tilting my head slightly back to widen my throat and allow as much of his cock inside, I sucked hard, hollowing my cheeks and creating a vacuum inside my mouth. In a matter of minutes it felt like he was getting ready to shoot, and he held my head firmly in place as he rammed his knob against my tonsils, making me gag.

I love this kind of rough play, and it made me feel hornier than ever as I sucked on his thick prick, enjoying the feeling of him face-fucking me good and proper. I thought that he would either cum in my mouth or over my boobs, but he surprised me by pulling away again, and ordering me to this time lie back in the armchair so he could give me a pounding.

This time he really got down to business, fucking my fanny hard from the

visit www.paulraymond.com

second he pushed inside me. The full length of his fat prick banging away at me felt incredible, and when he ground around deep, I felt his fit-to-burst balls banging up against my arse, sending me even wilder.

My tits were bumping together with the impact of his crotch on mine and I grabbed one, pulling it to my mouth and nibbling my nipple – half for Adam's benefit. When he told me to frig myself and that he wanted me to get off before he jizzed, I did – snaking my hand down my belly and rubbing my clit urgently.

Almost the second I felt myself cumming and my pussy started to clench around his tool, he started slamming into me, like he was finally letting go. His fingers were digging hard into my hips and he was lifting me up ever so slightly, so he was fucking up into my cunt with every stroke. I didn't think it would take long for him to cum but I was wrong, and no sooner had my pussy stopped climaxing I felt the stirrings of another, as he continued to hammer away at me.

As I came again, crying out and my body shuddering with pleasure, at last I felt Adam cum – the hot jet of spunk filling my fanny to the brim.

We snuggled up together on the chair, and a short while later, we had another less strenuous shag before going back to my place for a bath together.

"My tits bumping together, I felt his fit-to-burst balls banging up against my arse, sending me even wilder"

Since then, we've cleaned up the cottage nicely and made a few more interesting discoveries. One of these is that the shutters on the windows are far more effective than curtains at keeping out the sunlight, which means it's so much easier to lose track of the time there. Which, depending on what you're doing, is not always a bad thing!
